Must be a combat vet. Knows that Krafting up with cheese is going to keep that orifice sealed tight.

Just remember, a poo a day keeps the doctor away. I first heard that while digging fixed position emplacements by hand through six feet of compacted clay in an Aussie summer. The poor portapotties we had on site couldn't keep up with the demand.

Is LA though? Honestly people there seem more conservative than the San Francisco bay watershed, but that isn't saying much.

LA is way phuk RED! We've been living under communism & virtue signaling longer than anyone. We're rock n roll, skater culture, punk rock, everything has always been fuck the man, fuck the govt. Gangs out here are fkg MAGA. Latinos, Chinese, Vietnamese, Armenians. We have the most peo that lived in Communist countries. LA is 51% Latino. They're not about killing their kids. They're Catholic & work HARD. They were completely ignored by Dims & now Dims want them to pay Reparations to welfare queens 🤔 Latinos fkg HATE Biden, BLM & they ain't about soy dick energy.

🤔 I meant East LA + skaters + graf crews that now have legit biz. The bloods did rob blm of their loot & crips chased blm out of long beach so that was good times 🤖

I saw a sign hung overpass.. that read.. Hillary Clinton para prisión .. in 2016 ... the Hispanic community is huge conservative Catholic. American hispanics don't like the illegals either.. and the good illegal people don't like the criminal illegals.. sooo they in the end don't like the dems. At least the ones paying attention.

[permalink](#) [parent](#) [save](#) [report](#) [block](#) [reply](#)

▲ 3 ▼

If illegals voted blue continuously, CA wouldn't need voter fraud! They wouldn't have needed to replace the paper ballots w "fixable" machines in March. It's also why they have their ballots stolen from them or bought. They learn real quick who the thugs are when they get here. Democrats remind them of the cartels.

Yeah, dumb to post this much specificity. If shit goes hot in League of Legends, a lot of people are going to learn a lot of very painful lessons.

I don't blame them though. I had dipshits in the military talk about their flight times for movements. We live in a time of information retardation. Not enough cold war vets around.

Antifa smells like pot and whatever mommy cooked them for dinner before she helped them buckle up their little 'press' helmet.

ON THE WAY TO DC MAGA SMELLS LIKE GUN OIL, BEER AND AMERICA!! ON THE WAY HOME, WE WILL SMELL LIKE GUN OIL, BEER, AMERICA, LEFTY TEARS AND VICTORY!

Nothing wrong with pot. Probably quite a few vets will attest to that. Antifa smell is the smell of the hormones they're taking for their sex change
